

Engraved Memorial Brick

As you know, the Nansemond Tribal Association is currently planning the construction of our new Mattanock Town Historic Indian Village. To help fund this new venture, we're asking for your financial support by donating \$100. In return we will personalized a brick that will be used at one of numerous locations on the site. Perhaps you have seen bricks like these at some local schools and other non-profit organizations. You will be able to choose the lettering on this brick(s) and forever honor those you love. Everyone is welcome to make a donation; supporters young and old, tribal and non-tribal members, businesses, or even dedicate a brick to that certain someone. What a great way to be remembered and show your support for the Tribe! Don't be left out! Be a part of our historic site!
